WATKINS TAPSELL
SOLICITORS AND BARRISTERS

Do you understand the effects of the Fair Work Act?

Watkins Tapsell invites you to our Workplace Law Workshop. The workshop is a unique opportunity to participate in a practical information session with our Partner Tiana Daly. This is a must for all companies affected by the introduction of the Fair Work Act. This workshop will provide essential information necessary to comply with the Fair Work Act and prepare you for the new workplace laws that came into effect January 2010. The discussion will include:

- The recent Workplace Law changes;
- How the Fair Work Act will impact your business;
- Understanding the new modern award;
- Getting your Employment Agreement right under the new regime;
- Good faith bargaining;
- Structuring dismissal procedures under the new laws;
- Protecting your business from harassment claims.

Please bring your documents (employment agreements, job descriptions, policies, procedures AND pay slips) **to ensure the discussion relates to your specific business needs**. Seating is limited so book early to ensure your place.

For further information, contact events@watkinstapsell.com.au or Tiana Daly on 9521 6000.
